

# ONE BIN NO BAGS

EASIER. MORE CONVENIENT. LESS COST.

## MIX ALL YOUR RECYCLABLES TOGETHER

★ Starting July 5 ★

### Here's How It Works

**NOW, ALL RECYCLABLE ITEMS MIX TOGETHER IN ONE BIN FOR COLLECTION.**

- All recyclable items—paper, plastic, metal and glass—need to be mixed together loosely in one container.
- Recyclables must be placed in your designated recycling bin or a durable plastic or metal lidded container of your choice, under 35 gallons, and not more than 50 pounds.
- Do not place recyclables in plastic bags for collection. No string, no trash or green waste.
